

GUESS MY FINISHING TIME

DiABETES UK
CARE. CONNECT. CAMPAIGN.

Sweepstake entrant name	Time (nearest wins)

Name of participant

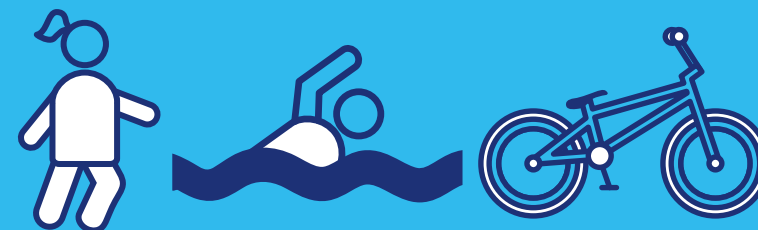

I'M TAKING PART IN

Name of event

HOW IT WORKS:

- Make a donation – we suggest £2 and guess the time in which the organiser will complete their event
- If you guessed the nearest finishing time you're the winner! You'll get half of the sweepstake money collected, and the other half will be donated to Diabetes UK.

*Please note that this is a free prize draw with a suggested donation of £2. No donation is necessary to enter. Making a donation does not increase or affect the entrant's chances of winning. Entrants can donate more than the suggested amount if they wish.

INSTRUCTIONS FOR THE GUESS MY FINISHING TIME SWEEPSTAKE

- Print out the lovely sweepstake chart
- Ask your friends, family and colleagues to make a donation (we suggest £2*) and guess the time that they think you'll complete your challenge in.
- Once you've completed your challenge, colour in the clock on the sweepstake to reveal your finishing time

Colour in the clock to record the time
you crossed the finish line

- Work out whose guess was the closest to your actual finishing time and crown them the winner! They then receive half of the total collected and the other half goes towards your fundraising.
- Send your portion of the fundraising total to us by:
 - Paying it into your bank account and making a card payment to us. Just give us a ring on 0345 123 2399, Monday – Friday 9am – 7pm
 - Paying it into your bank account and sending us a cheque made payable to 'Diabetes UK' along with a note containing your name address and the challenge event which you are taking part in
 - Paying it into your bank account and donating it directly to your online giving page

HAPPY FUNDRAISING!
