Diabetes and Wellbeing Support For All

We currently have a Live Well Hub in Hamilton Road Community Hub, this is a one-stop-shop which provides information and support to improve the health and wellbeing of those living with diabetes. A different topic is covered at each session, and in the coming months we will hear from a diabetes specialist nurse, a podiatrist, a local community pharmacist, a dietitian and a local GP.

Please note: topics could change depending on speaker availability.
