Diabetes and Wellbeing Support For All

We are launching a Diabetes Live Well Hub in Altnaveigh house in Newry. This is a one-stop-shop which provides information, support and advice to improve the health and wellbeing of those living with diabetes. A different topic is covered at each session, and in the coming months at the Live Well Hub we will hear from a diabetes specialist nurse, a podiatrist, a local community pharmacist, a dietitian and other health care professionals.

Please note: topics could change depending on speaker availability.
